

**Committee on the Peaceful
Uses of Outer Space
Legal Subcommittee
Sixty-third session
Vienna, 15–26 April 2024
Item 8 of the provisional agenda*
Future role and method of work of
the Committee**

**Management of printed documents at sessions of the
Committee and its subcommittees**

Non-paper submitted by the Secretariat

1. At its sixty-sixth session, held from 31 May to 9 June 2023, the Committee on the Peaceful Uses of Outer Space agreed that Member States and international intergovernmental organizations with permanent observer status with the Committee are requested to indicate in their accreditation submission if they wish to receive conference room papers in hard copy, to be placed in their respective pigeonholes.
2. At the sixty-first session of the Scientific and Technical Subcommittee (STSC), held from 29 January to 9 February 2024, requests to receive conference room papers in hard copy in their respective pigeonholes were received from four delegations.
3. At the sixty-third session of the Legal Subcommittee (LSC), held from 15 to 26 April 2024, no requests for the distribution of conference room papers in hard copy via pigeonholes were received.
4. In line with communication from the Chef de Cabinet to the United Nations Secretary-General to the President of the seventy-eighth session of the United Nations General Assembly of 6 February 2024, and from the Director-General/Executive Director of the United Nations Office at Vienna to Member States ref: CU 2024/63/ODG/OED of 29 February 2024,
 - (a) Starting from the 61st session of STSC, pre-session documents are being made available to delegations electronically or printed on-demand;
 - (b) Starting from the 63rd session of LSC, conference room papers are being made available to delegations electronically or printed on-demand.
5. Other in-session documents will be provided to delegates at the VIC, as appropriate.
